

Strip Pieced Tumbling Blocks Quilt Workshop with Rob Appell

This will be a fun and fluid workshop building blocks for a Strip Pieced tumbling Block style quilt. You may bring scraps, or totally organize your color theory. I will help assist in the construct and layouts.

Please note, I have several different YouTube videos available, however, I play with different size strips widths in each video. Therefore, you may work with any width strips you like, as long as the sizes are consistent. You may also follow the pattern for the Double Tumbler attached for a specific quilt design.

Supply List -

Regular sewing tools:

Sewing machine, 45mm rotary cutter, cutting mat,

Optional Ruby Beholder or value finder.

24"x 6" to 9" Ruler AND 60 Degree triangle Ruler that is at least 6" tall
